Six Little Penguins

6 little penguins off an iceberg did dive,
1 bumped his beak, then there were 5.
5 little penguins swam the ocean floor,
1 saw a whale, then there were four.
4 little penguins spun around, whee-ee!
1 spun off, then there were 3.
3 little penguins, with nothing to do,
1 went fishing, then there were 2.
2 little penguins, having lots of fun,
1 fell off, then there was 1.
1 little penguin, when the day was done,
Went home to sleep, then there were none.

Five Little Snowmen

5 little snowmen all in a row
Each with a hat
And a big red bow.
Out came the sun
And it stayed all day
And one of those snowmen melted away.
(Repeat with 4, 3, 2 & 1 snowmen)

Chubby Little Snowman

A chubby little snowman
Had a carrot nose (Point to nose)
Along came a bunny (Make a bunny with 2 fingers)
And what do you suppose?
That hungry little bunny
Looking for his lunch
Ate that little snowman's nose (Pretend bunny eats your nose)
Nibble nibble crunch!

I'm a Friendly Snow Pal

(Sung to "I'm a Little Tea Pot")

I'm a friendly snow pal, big and fat,
Here is my tummy, and here is my hat.
I'm a happy fellow, here's my nose,
I'm all snow from my head to my toes.

I have two eyes so I can see,
All the snow falling down on me.
When the weather's cold, I'm strong and tall,
But when it's warm, I get very small!
