

# Winter Photo Contest!

Hosted by:  
the Pulaski County Library System

We are looking for photos of the positive side of winter, whether it's a scenic landscape, an impressive snowman or whatever says "winter" to you!

How to enter: Submit your photo at the Pulaski Library or via email to [jchardy@pclibs.org](mailto:jchardy@pclibs.org). Be sure to include your name, contact info and age group (elementary, middle or high school or adult).

Contest open to ages 9 and up.  
Deadline for submissions is February 10.

Photos will be displayed at the Pulaski Library and on the library's Facebook page so the public may vote for their favorite entries!

Winners will receive a gift certificate for a local business!
